Contacted Tim about ordering some order of service cards. He responded immediately and sorted out what I needed straight away.

His communication was excellent and he sent some lovely ideas. I ordered the cards and they were delivered within 24 hours, so smooth and easy at a difficult time. Thanks Tim for your empathy and the lovely cards.

*Suzanne Cameron*

## 5\* service

Excellent service from Tim. I messaged him early evening and had a prompt reply. Ordering process was simple and communication afterwards was fantastic.

A proof was emailed to me and after minor alterations the whole process was complete within 2 hours. The cost was also around £35 cheaper than quoted by my funeral director. Delivery time excellent received the next day by 12pm packaged very well will definitely recommend to others.

## Excellent service, very straightforward

I am absolutely delighted with the order of service I received. It was all done within the hour and posted that day. It's just perfect. I would highly recommend Tim to anyone. Quick turnaround, kept updated continually and printed exactly what I asked. I left the choice of background to Tim as I didn't know where to begin and I'm delighted with the finished product. If you are struggling to decide where to get your order of service printed don't think about it. I cannot recommend them enough

*Kathleen*

## Excellent customer service

If I could leave a 10 star review I would. The service Tim provided was above and beyond.

I contacted Tim on Boxing Day after being let down due to illness for printing of Order of Services that were required for 29th December. With time constraints due to Christmas holidays Tim was unable to print and send them to me but designed them and I was able to print at home. Tim stepped up and done all of this on Boxing Day for me, even making a few small changes on the 27th for me.

I would not hesitate to use Tim again and would recommend him to anybody who needs to use his services.

*Carin*

## Exceptional Service & Quality

I only had a few days in order to arrange my mum's funeral creating a challenge in an already tough time. From an initial call with Tim late on Friday afternoon, to the finish product in my hands by Monday lunchtime. Tim took an outline from me and created something really special for mum, comments from those who attended mum's funeral including several "these are beautiful", "these are exquisite", and a "this will be a treasured keepsake of your wonderful mum". As I write this review, just 24 hours have passed since my mum's funeral and am writing this now because an order of service is such a key component for a funeral that you want it to be perfect, and that is what I got from Tim. Thank you so much Tim.

*Graeme Barker*

## What a professional experience

What a professional experience! From my initial enquiry to delivery 48 hours later.

Tim responded quickly and sensitively and we couldn't be more pleased with the finished order of service. Thank you so much.

Fantastic service from Tim. Very quick response to email enquiry and fast turn around of the initial design for my Father's Funeral order of service.

Very easy to deal with, during this difficult time, and cannot recommend this company enough. Very pleased with the quality, and at a reasonable price.

*Mark Harris*

## Look no further!

What can I say about this company? Well, they're absolutely amazing just about sums up the entire process.

I needed an order of service within 72 hours and at no point did Tim seem phased by this deadline. He seemed to read my mind regarding the aesthetics, and I received proofs within a couple of hours.

3 days later I received the printed booklets and they are even more beautiful in reality. Thoroughly professional, sensitive and efficient. 20 out of 10!

*Edith Batten*
